GHHS PTSA NEWS

School Communication

On the last PTSA Board meeting, a few parents had questions about messages/calls received on their phones about School News.

The following will help you customize how you want to receive School News:

Text messages will only be sent to people who opt-in.

You can opt-in by texting YES to the shortcode 67587 or replying with a YES to the opt-in text message we will send to your phone. To opt out of all text messages from SchoolMessenger, visit <http://www.schoolmessenger.com/txtmsg/> or reply with STOP to the opt-in message that you receive. The school district does not pay for text message charges that may be incurred by you for sending or receiving text messages. Check with your wireless carrier for possible charges.

You can choose which phone numbers receive phone calls or text messages.

If you'd like to customize the type of communications you'd like to receive on your phone or email, visit <http://go.schoolmessenger.com> and create an account. You can also download the app by SchoolMessenger from the Apple App Store or Google Play Store. For support, [download our flier](#) or contact your school.
